Letter from the Editor

Dear Reader,

Thank you for downloading this month's edition of ModernGraham Stocks & Screens. I hope this will be a useful resource for you as you do your own research (please remember to consult a registered broker or investment advisor before making any investment decisions). This month I have expanded the number of stocks reviewed to 506, including all thirty components of the Dow Jones Industrial Average.

Inside these pages you will find screens of the various companies reviewed on the website ModernGraham.com. ModernGraham is a site devoted to the study and modernization of Benjamin Graham's value investing methods. The requirements for Defensive Investors (an investor not able to do substantial research) and Enterprising Investors (an investor willing to take on more risk by doing substantial research) are taken from Graham's book The Intelligent Investor. The valuation model has also been taken from the same book, and you may visit this explanation of how the model was modernized.

It is planned that any company that is found suitable for the Defensive Investor or the Enterprising Investor will have its valuation updated on a quarterly basis. Any company that is considered speculative, which includes all companies not suitable for the Defensive Investor or Enterprising Investor, will be updated on an annual basis.

I find it a pleasure to research companies following Graham's methods, remain disciplined in my personal portfolio, and explore my own passion for investing. I hope you are able to do the same.

If you have any comments regarding this eBook, feel free to send me a note at ben@moderngraham.com.

Thank you again for taking the time to download this eBook, and I hope you return next month!

Note: If the company is a financial or insurance company, test #2 regarding the financial condition is not required; however, the company must pass all six of the remaining tests.

Requirements for Enterprising Investors

To be considered by the Enterprising Investor, a company must pass at least 4 of the following 5 tests.

1. Sufficiently Strong Financial Condition, Part 1 - current ratio greater than 1.5

Guide to Reading the Tables

In the “Investor Type” column, a “D” indicates the company passes the requirements for the Defensive Investor; an “E” indicates the company passes the requirements for the Enterprising Investor; and an “S” indicates the company does not qualify for either the Defensive or Enterprising Investor and should be considered speculative at this time.

About ModernGraham

ModernGraham.com started with a simple discussion about Benjamin Graham's The Intelligent Investor and its continued relevance today. After the discussion, Benjamin Clark studied the methods put forward by Graham and modified them slightly to meet the needs and conditions of the current market. When it was determined that strictly following a modernized set of rules based on Graham's original investing strategies would lead to low risk and high return portfolios, Benjamin Clark and Jonathon Ritchie decided to start a blog to discuss these findings with other intelligent investors. The site was developed and officially launched in August of 2006.

About Benjamin Clark

Benjamin graduated cum laude with his J.D. from DePaul University College of Law, and also received a Certificate in Taxation. He passed the Illinois Bar Exam in July 2013 and is licensed to practice law in Illinois. He also holds a Bachelor of Science in Finance (Honors) from DePaul University College of Commerce. In addition to ModernGraham, his writing has been featured on TheStreet.com and SeekingAlpha.com.
